The Big Events of '79

FOREWORD - Each school year is marked with special occasions and big events which make the year memorable. This year was no exception. Our year started with high hopes for the football season which did not materialize, but the events of homecoming made up for some of the disappointment. The floats, parade, game, and dance drew record crowds and glowing enthusiasm. The juniors won the float competition and sophomores won the skit. A record number of cans were collected for the Thanksgiving baskets. 1979 to be exact! This provided ample canned goods for the Christmas baskets as well. The Madrigal Dinner was the season spectacular as usual. The grand hall was grander, the menu was ampler, and the Christmas spirit was merrier, leaving all the participants with the true meaning of the Christmas Season. Even the snowfall was an all-time record. Spirit week was a smashing sensation with the Junior Class carrying away the spirit paddle. The Freshman Class gave the juniors a good run for their money. The Senior Class, represented by midnight blue, created a little excitement as they swarmed from the bleachers to sit in the middle of the gym floor. This event started some sensational publicity which died out quickly for lack of credibility. Twirp week brought in a super $2102 for the crippled children. The vice-versa was attened by a record number of couples. The girls' basketball team won the supersectional and a chance to play in the assembly hall at Champaign. THEY WERE GREAT! "Bye, Bye Birdie," was the spring musical. The Junior Prom, "Always and Forever," was held at the Continental Regency on May 12, and an early graduation took place on May 23. Herein are some recorded memories.

DEDICATION

Mrs. Virginia Blanquart

Virginia, in the laundry room among her many plants, always has a ready smile for everyone.

The AMULET staff is both proud and pleased to dedicate the 1979 AMULET to you, Mrs. Virginia Blanquart.

Mrs. Blanquart, or Virginia, or Ginny, as she is known to her many friends and students, began working here at Limestone High School, twenty-five years ago. In this time she has suffered personal tragedy in the loss of her only child, Ron, who was killed in a truck accident after graduating from Limestone. Her husband died of a heart attack two years ago. Since then, she has adopted the Limestone family, and the Limestone family has adopted her. Virginia enjoys sharing vacations and trips to the mountains to backpack with students and faculty.

If you don't know Virginia, or haven't seen her around lately, you can stop in the laundry room most any day and find her busy at her work.

A very special moment is shared by Bruce Ledbetter and Terri Fields.

Mitzi Smith and Paul Jass take a stroll and perhaps will get a view from the terrace or see the lights of the city from the glass enclosed elevators.

. . . Like A Dream . . .

A lovely queen and her escort beam as they feel the attention of the evening centering around them.

David Endsley, D'arby Flessner, Karen Young, Bill Woosley, Kelly Morgan, and John Williams get a breath of fresh air out on the terrace.

Jeanette Robinson, Cindy Wallace, and Sherry Cooper served cake and punch at the Prom.

Couples dance to the music of Maiden Cane.

. . . Coming True

Bob Malone and his date sit out a dance and talk among themselves.

Last year's King and Queen, Gary Cook and Connie Davis, share a dance.

This year's freshmen got their first glimpse of high school life as they searched for their classes through never-ending halls. They learned many things that first week of school, such as never buy an elevator pass and just because you have a white tray doesn't mean you get a free lunch. In spite of all this confusion the freshmen did well their first year. The freshmen picked Kathy Guppy as their class president, Sandy Engstrom, vice-president, Lynne Marchand, treasurer, and Rose Huntley, secretary.

Freshmen Do Their Part

The Madrigal Dinner would not be the same if it were not for the help rendered by the freshmen who serve as pages and wenches. Of course, the freshmen gain valuable experience in meeting the public and working with others.

Pages served hot wassail.

Rockets Look Toward Next Year

Vince Delgadillo runs interference for Pete Kasap.

The Varsity Football Team, coached by Mr. Drach, had a disappointing season. With much talent and high hopes, the team finished with a 2-7 record. Although this season was frustrating, the Rockets did make history by increasing their winning streak to seven games. The Rockets were saddened when they lost Mark Bietzel and Pete Kasap to injuries. Pete did come back to lead the team with 638 yards rushing, while Rob Schmitt had 1,306 yards punting. The Rockets look to next year and a winning season. Good Luck Rockets!!

Although this year's Sophomores only had 18 players, they proved themselves by remaining undefeated and won the M-S 10 conference.

Outstanding performances were displayed by Jeff Harmison, Matt Adamson, Mike Mason, and Matt Hammond. Jeff Harmison and Mike Mason combined their talents for a total of 173 scoring yards. A total of 228 points were scored by LCHS as opposed to a total of only 34 points scored against them.

If this is an indication of how well the Rockets can play they can look forward to a winning varsity season next year.

With a predicted season of 7-4, the '78 Freshman Football team came out on top with a 6-5 overall record and a 4-5 M-S 10 record.

The Freshman dedicated their first game to Ron Burns who broke his neck in practice. They lost to their opponents by a total of only 33 points.

With outstanding performances by Mitch Blackaby, Terry Dixon, Sam Light, Gene Virgil, and Tim Smith, the young Rockets rushed and passed for over 800 yards. Congratulations Rockets!!

An excited crowd cheers the Rockets on at the Supersectional game against Jacksonville.

. . . State!

Becky Behm, Diane Walters, Cyndi Deitrick, Gwen Camden, Sarah Muzzarelli, Coach Gross

Sarah Muzzarelli helps set up a tough defense against Oak Forest.

When a school of 1,600 students has a crowd of almost 6,000 at a basketball game, that's support! When local businesses take down usual advertising and put up slogans like, "When put to the test, Limestone Girls are above the rest," that's support! When those 1,600 students get $40 out of Mom and Dad to go to Champaign and when the Limestone cheering section is filled to the rafters, that's support!

Perhaps the proudest moment Limestone Community High School has ever seen was on March 30, 1979, when the clock was lowered from the top of the Assembly Hall on the U of I campus in Champaign-Urbana and the name Limestone was put in the scoreboard slots. The next four quarters saw Limestone deep in foul trouble and down by nine points at two different times and then rally to lead by four points with only 30 seconds left in the game. At the end of regulation time, the score was 59 - 59. Described by many as the longest three minutes of their life, the overtime lead wavered back and forth between Limestone and Oak Forest, with Oak Forest pulling ahead 67 - 70 at the final whistle.

How did the lady Rockets' get there? Well, the season began with the Dixon Tournament. Limestone lost to Freeport 71 - 69 in overtime, but they later won the consolation championship. Only two other season losses to Richwoods and Galesburg marred the Rockets' record. A new school record was set by defeating Normal 97 - 27. The Rockets' only conference loss was to Richwoods.

REGIONAL TOURNAMENT

Limestone outscored Morton in the third quarter and won the Regional Championship. Sarah Muzzarelli led all scorers with 28 points. The Rockets' won with a score of 79 - 49, and enjoyed a memorable escort home.

SECTIONAL TOURNAMENT

The Rockets' were to play Richwoods, to whom they had lost the conference championship, or Lincoln, who had beaten them the previous year in Supersectionals.

As many as 2,800 fans saw Limestone defeat Lincoln 61 - 56. The Railers couldn't score two baskets in a row without a Limestone basket sandwiched in between them. The Superintendent of Washington wished us luck, and the bandwagon had definitely gotten underway.

SUPERSECTIONAL

The Rockets' scored 24 easy points and crusied to an 81 - 56 victory. Jacksonville fans were stunned at a 32 - 4 first quarter score. The crowd's favorite chant was, "Here we come Champaign! Here we come!!!"

ELITE EIGHT

Champaignains called Limestone the Cinderella team. One ISHA member called the Rockets' the best-looking and best-disciplined team in the tournament. Although LCHS entered with the worst record, they came out number one in everyone's book.

Greg Wells, John Hawkins, Gary McIntosh, and Mr. Hutinger gladly became Limestone's first male cheerleaders as 5,867 fans came to Champaign to cheer the Rockets in the second game on Friday afternoon. Niles West eventually won the tournament. Niles West fans happened to be sitting next to Limestone, and soon became Rocket fans, as the thrill of victory, the agony of defeat, the cheers of the crowd, and the referee's whistle were all felt in the last thirty-five seconds of overtime play. Everyone and anyone connected with Limestone said the same thing, "We'll be back next year."

Limestone Girls made several new records this year:

- *First LCHS team to ever compete in two consecutive Supersectionals.*
- *First LCHS team to ever make it to Elite Eight or Champaign*
- *First M-S 10 girls team to ever make it to Champaign*
- *First LCHS team to beat an opponent by 70 points; against Normal 97 - 27.*

Rockets Advance To State

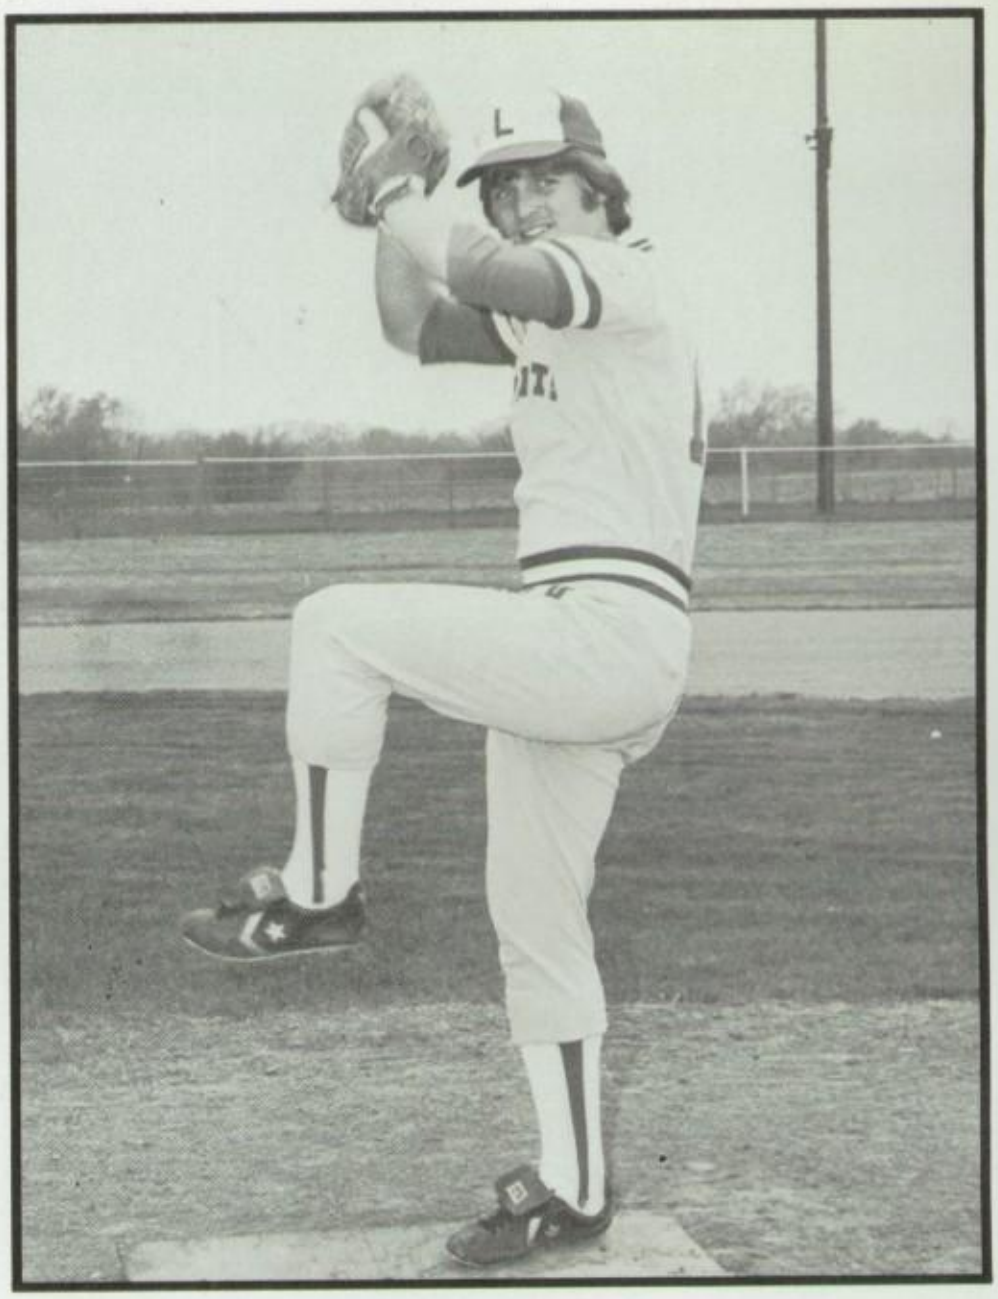
The 1979 Limestone Rockets ended the regular season with a 20 - 10 overall record. The Rockets won the MS-10 conference for the second year in a row, as did the Freshman and Sophomore teams making it the second year Limestone had "swept" the MS-10 baseball conferences.

The season started out with two losses, but after a late spring and many cancellations the Rockets slowly began improving their record. Rob Schmitt emerged as the most valuable player, leading the MS-10 with a batting average of .440, 80 strike outs, 4 home runs, 8 complete games, 5 runs scored, and 7 extra-base hits.

In the Regional Championship game Limestone took on the Morton Potters. A double play in the bottom of the fifth warmed the Rockets up followed by a two-run homer by Stan Taylor that cleared 350 feet. The Rockets went on to win 6 - 4.

In the first game of the Sectionals Limestone ended a three-year grudge against the Central Lions by defeating them one to nothing. A single in the fifth by Rob Schmitt allowed Mason Dearing to score the Rockets one and only needed run.

Limestone played the Canton Little Giants (22 - 4) for the Sectional Championship and a trip to the State Tournament — its first since 1956. Rob Schmitt was the winning pitcher. Rodecker, Yemm, and Schmitt all touched home plate for a 3 - 0 victory.



Junior Rob Schmitt led the MS - 10 with the most strike outs, batting average of .440, 4 home runs, 8 complete games, 5 runs scored, and 7 extra-base hits.

Record 2 - 6 - 1

The Varsity Rockets had a 2 - 6 - 1 season. Keith Ganson scored high for the Rockets again, placing first in the mid-state 10 meet, first at district, and fourth in the state meet. Keith was also picked most valuable in field events, and set a new Peoria-area record in the high jump of 7' 2 1/2". Freshman, Gene Virgil, was the most valuable runner because of his outstanding ability in the 100 and the 220. Gene and Keith were also picked for the Journal Star's first Honor Roll Track Meet. The mile relay team made up of McIntosh, Virgil, Adamson, and Ganson set a new school record breaking the last one of seventeen years standing. This year's team was greatly improved and showed much promise and talent. They proved this by winning 2 meets after going winless for the past three years.

Many of its members were good enough to be used on the Varsity team which gave the frosh-soph team an obvious disadvantage. Still, with the help of Coaches Beach, Nordvall and Hodge, they all developed themselves into better athletes. Many of the team members will be ready for Varsity action next year.

Though the Rockets tried their best, luck was not with them. They tied with Washington, then lost the tie-breaker after putting up a tough battle. The JV team fared better, though, bringing home several trophies for the Rocket trophy case. The junior rockets ended the season with two wins and four losses, winning a tie-breaker with Richwoods. The Rockets look toward a better season next year.

Two Bits! Four Bits! Six Bits! A Dollar! All For

Being a cheerleader is not all the fun and glory it seems to be. It's hours of practice, sore muscles, scratchy throats and a lot of tension. It's constantly smiling when you feel like crying, and saying things like, "We are second to none," when the team is down by twenty points. There are rainy nights, cold days, and hot gyms to overcome as well as sagging school spirit when your team is down. All in all, it is a great experience, and one that is not soon forgotten.

Limestone Board Of Education

The Board of Education is composed of seven persons elected by residents of the high school district. Each person is elected for a three-year term. Regular meetings are held twice each month. Board members sometimes choose to run for re-election. On the current board, one member has served since 1971. The newest member was elected in 1978.

Among the responsibilities of the Board are the many decisions that must be made in spending over two million dollars annually in the educational and operational funds of the school.

In addition to their formal activities as board members, they also show their interest in the high school by their attendance at plays, athletic events, and other school activities.

The president of the Board traditionally hands out diplomas to the graduating seniors at Commencement.

Administrative Staff

When "school is out," school is not out for the administrative staff. The job of planning, organizing, spending, accounting, implementing goes on year 'round. The classes you enter in the fall are the result of the thought and attention given to the details of textbooks, desks, and teaching staff. Supplies and food, game uniforms, microscopes, sewing machines, paper cups, school buses — all these and many thousands of other items were purchased, repaired or contracted — to make the process of "education" more complete and as smooth as possible.

The Limestone Custodial Staff is always busy behind the scenes trying to keep the building and grounds in a state that is pleasant and neat for everyone. The students appreciate clean restrooms, locker rooms, and classrooms. The custodians are also called upon for special events which take them from their regular duties. We salute the custodial staff in their efforts.

The cafeteria staff also works very hard in an attempt to please the students with well balanced and appealing lunches. We appreciate their patience and skill in the kitchen.

Who are the Bahá'ís?

■ Bahá'ís are members of an independent religion founded by Bahá'u'lláh. Although it originated in Iran just over a century ago, the Bahá'í Faith has followers in over 300 countries and territories, from India to Bolivia, from Ireland to Tasmania, from Sweden to Japan.

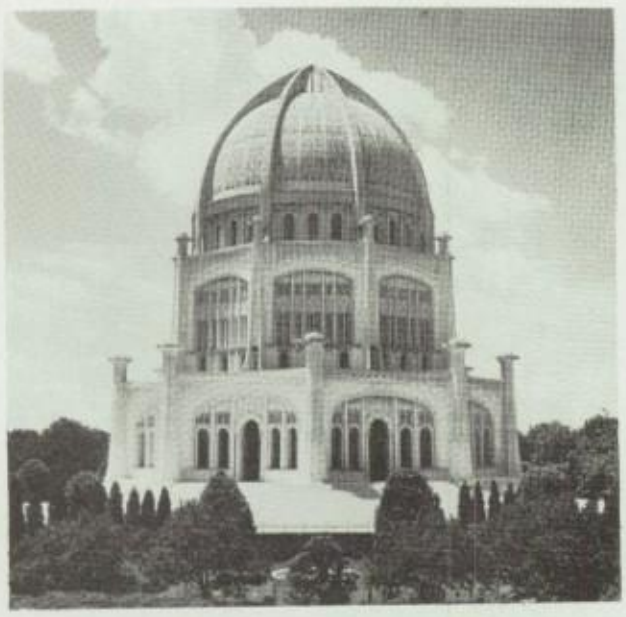
■ Bahá'ís believe in the unity of God and accept the divine origin of religions, including Judaism, Christianity, Islam, and Buddhism.

■ Bahá'ís advocate the unity of nations and races, the establishment of universal peace, the equality of the sexes, and the abolition of all forms of prejudice. Drawn from a wide variety of ethnic and religious backgrounds, the Bahá'í international community includes the members of over 1,600 tribes and minority groups

■ Bahá'ís propose the adoption of an international auxiliary language, the abolition of barriers to international, economic and cultural exchange, and the development of institutions that would ensure lasting peace.

■ Bahá'ís abstain from partisan politics, refuse to assume hostile attitudes or to engage in violence, emphasizing instead the need to spiritualize humanity and to apply moral standards to institutions as well as to individuals.

Bahá'ís have built houses of worship, open to members of all religions, in Frankfurt, Germany; Sydney, Australia; Panama City, Panama and elsewhere. The one in Wilmette, Illinois has recently been designated a national historic site.



The Baha'i House of Worship in Wilmette, Illinois, is open to all people for prayer and meditation. It is a symbol of the unity of mankind.

Let the Army help you with college.

Last year, 90,000 young people like yourself earned college credits in the Army.

They attended classes on post. They studied at nearby colleges and universities. And they took courses through various correspondence programs. And the Army paid for up to 75% of their tuition costs.

And after your enlistment's over, you're entitled to 36 months financial assistance at colleges throughout the country.

Our educational benefits are in addition to the job training you'll receive, the salary you'll make, and the travel opportunities you'll have.

If you'd like to find out more about all the educational benefits the Army has to offer, see or call your local Army Representative.

Crossing the Bar

Sunset and evening star,
And one clear call for me!
And may there be no moaning of the bar,
When I put out to sea,

But such a tide as moving seems asleep,
Too full for sound and foam,
When that which drew from out the boundless deep
Turns again home.

Twilight and evening bell,
And after that the dark!
And may there be no sadness of farewell,
When I embark;

For though from out our bourne of Time and Place
The flood may bear me far,
I hope to see my Pilot face to face
When I have crossed the bar.
